INDEPENDENT AUDITORS' REPORT

Board of Directors Youth Volunteer Corps Kansas City, Missouri

Report on the Audit of the Financial Statements Opinion

We have audited the accompanying financial statements of Youth Volunteer Corps (a nonprofit organization) (the Organization), which comprises the statements of financial position as of March 31, 2025 and 2024, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Youth Volunteer Corps as of March 31, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Youth Volunteer Corps and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Youth Volunteer Corps' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Youth Volunteer Corps' internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Youth Volunteer Corps' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Youth Volunteer Corps (the Organization) was incorporated as a Missouri nonprofit corporation in 1991. The Organization was organized to create volunteer opportunities to address community needs and to inspire youth for a lifetime commitment to service. The Organization is primarily funded by contributions from foundations, corporations, and individuals, as well as by government grants.

The Organization is located in over 24 communities across the United States, Canada, and Uganda and recruits teams of diverse youth between the ages of 11 and 18 to perform service learning projects in their communities. The projects address unmet needs of the community while promoting a lifetime ethic of service among young people.

The Organization's primary responsibility is to act as an international headquarters and to support its affiliates. The majority of affiliates are sponsored by community or government organizations such as a local YMCA or United Way, and the Organization does not own or control any of these community or government organizations nor are they fiscally dependent upon the Organization or vice versa. A few affiliates are sponsored and controlled directly by the Organization.

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues, expenses, gains, losses, and other changes in net assets during the reporting period. Significant estimates incorporated into the Organization's financial statements include the estimated useful lives of depreciable assets, the value of in-kind contributions related to discounted rental payments to be received in future periods, and the allocation of costs between functional cost centers. Actual results could differ from those estimates.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. This category includes board-designated net assets.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Assets (Continued)

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Organization does not have any perpetually restricted assets for the years ended March 31, 2025 and 2024.

Basis of Accounting

The accounts of the Organization are maintained on the accrual basis of accounting in accordance with principles of fund accounting. Separate accounts are maintained for each fund. However, the accompanying financial statements have been prepared on a basis which shows the financial position and changes in net assets of the Organization in total. Funds with similar characteristics have been combined for financial statement presentation.

Contributions

Contributions received are recorded as with or without donor restrictions depending on the existence or nature of any donor restrictions. When a restriction expires, reclassifications are made from net assets with donor restrictions to net assets without donor restrictions and reported in the statements of activities and changes in net assets as Net Assets Released from Restrictions.

In-Kind Contributions

In-kind contributions consist of goods and services donated to the Organization. These have been reflected in the financial statements at their estimated fair value at the date of donation.

Office space rent and advertising services are reflected as contributions and grant revenue at their estimated values at date of receipt, based on prices for similar property or services. These are recorded as unrestricted revenue.

The Organization records in-kind support for contributed services if these services (a) create or enhance long-lived assets or (b) require specialized skills, are provided by an individual possessing those skills, and would typically need to be purchased if not provided by donation. Such support could be used in program activities of the Organization as well as in fundraising and administrative activities. The value of services meeting these requirements, to the extent measurable, is reflected in the accompanying financial statements.

The Organization receives a substantial amount of support from nonprofessional volunteer services that do not meet the criteria listed above. These nonprofessional volunteers donate services for fundraising, education, and administration that are not valued or recorded in the statements of activities and changes in net assets.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

Cash equivalents for the purposes of the statements of cash flows consist of cash in operating bank accounts and certificates of deposit and are recorded at cost.

Investments

Investments include equity mutual funds, which are carried at fair value, with realized and unrealized gains and losses on investments reported as increases or decreases in net assets without donor restriction or net assets with donor restriction based upon donor-imposed restrictions. The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the Organization's financial statements. The Organization holds a board-designated investment at the Greater Kansas City Community Foundation. The Organization has full variance power over this investment and can request distributions of principal and interest at any time.

Grants Receivable

Grants are recognized when the grant letter is received, absent the presence of conditional provisions, and are classified as net assets with donor restriction if time or purpose restrictions are present. No allowance for doubtful accounts is recorded for grants as of March 31, 2025 and 2024, as management does not believe the required amount of such an allowance would be material to the financial statements.

Pledges Receivable

Pledges are recorded when received and determined to be unconditional. Allowances are provided for amounts estimated to be uncollectible. No allowance for doubtful accounts is recorded for pledges as of March 31, 2025 or 2024, as management does not believe the required amount of such an allowance would be material to the financial statements. Pledges receivable are expected to be collected within one year as of March 31, 2025 and 2024.

Property and Equipment

The Organization's property and equipment are carried at cost if purchased, and fair value as of the contribution date if contributed. The cost of property and equipment purchased in excess of \$3,000 is capitalized. Depreciation is provided for using the straight-line method over the estimated useful lives of the respective assets, which is generally 3 to 7 years. Repair and maintenance costs are charged to expense as incurred.

Leases

The Organization determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets and lease liability. The Organization has no financing leases.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases (Continued)

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Organization has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right of use assets on the statements of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Organization has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities.

Impairment of Long-Lived Assets

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets held for sale are reported at the lower of their carrying amount or fair value less costs to sell.

Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) as a nonprofit organization.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Revenue is recognized when earned. The Organization recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met. Bequests are recognized upon the death of the donor at the amount estimated to be received by the Organization. Exchange transaction revenue from program services are recognized proportionately to when the service is provided or the rights of ownership transfers, thus, monies received before the program begins are classified as deferred revenues.

Functional Expenses

The costs of providing the Organization's program and other support activities have been summarized on a functional basis in the statements of activities and changes in net assets. Certain costs have been allocated between the program and support services benefited as depicted in the accompanying statements of functional expenses. Expenses that can be identified with the program specifically or with support services are assigned directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated based on management's estimate of resources devoted to the program or support services according to formulas developed by management to appropriately reflect costs and efforts expended on each program or support service.

NOTE 2 LIQUIDITY AND AVAILABILITY

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents and investments.

In addition to financial assets available to meet general expenditures over the next 12 months, the Organization operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources. Refer to the statements of cash flows which identifies the sources and uses of the Organization's cash for fiscal years 2025 and 2024.

NOTE 2 LIQUIDITY AND AVAILABILITY (CONTINUED)

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

	2025		2024
Cash and Cash Equivalents	\$ 198,109	\$	294,952
Investments	739,260		722,723
Grants Receivable	333,334		696,667
Pledges Receivable	1,067		-
Total Financial Assets	1,271,770	<u> </u>	1,714,342
Contractual or Donor-Imposed Restrictions:			
Cash and Investments Restricted to Specific Uses	(235,508)		(100,087)
Grants Restricted to Specific Uses	(333,334)		(696,667)
Pledges Restricted to Specific Uses	(1,067)		
Total Restrictions Imposed	(569,909)		(796,754)
Board Designations:			
Beneficial Interests in Community Foundations	(481,794)		(456,867)
Total Board Designations	(481,794)		(456,867)
Financial Assets Available to Meet Cash			
Needs for Expenditures Within One Year	\$ 220,067	\$	460,721

Amounts in the board-designated category could be made available if necessary.

NOTE 3 FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that we can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Unobservable inputs for the asset or liability. In these situations, we develop inputs using the best information available in the circumstances.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. The mutual funds held by the Organization are deemed to be actively traded (Level 1).

Beneficial Interest in Community Foundations: Value is equal to the principal contributed by the Organization or on its behalf, plus the earnings allocated to it by the Foundation.

The following table presents assets measured at fair value on a recurring basis at March 31:

		20	25		
	Level 1	Lev	el 2	Level 3	
Mutual Funds	\$ 257,466	\$	-	\$	_
Beneficial Interest in Community					
Foundations	 				481,794
Total	\$ 257,466	\$	-	\$	481,794
		20	24		
	 Level 1	Lev	el 2		Level 3
Mutual Funds	\$ 265,856	\$	-	\$	_
Beneficial Interest in Community					
Foundations	-		-		456,867
					100,001
Total	\$ 265,856	\$	_	\$	456,867

The beneficial interest in community foundations had no unfounded commitments, no restrictions on redemption frequency, and no redemption notice period at March 31, 2025.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a reconciliation of the beginning and ending balances of assets and liabilities measured at fair value on a recurring basis using significant unobservable (Level 3) inputs during the years ended March 31, 2025 and 2024:

Board-Designated Endowment	2025			2024		
Balance - March 31	\$	456,867		\$	417,874	
Distributions		-			(22,590)	
Change in Fair Market Value		24,927			61,583	
Balance - March 31, 2024	\$	481,794		\$	456,867	

The following is a summary of market value technique for ending balances of assets and liabilities, measured at fair value on a recurring basis, using significant unobservable (Level 3) inputs during the years ended March 31:

	Cost	U	Gross nrealized Gains	Gro Unrea Los		F	air Value
Mutual Funds	\$ 93,500	\$	163,966	\$	-	\$	257,466
Total	\$ 93,500	\$	163,966	\$	_	\$	257,466
	 Fair '	Value		Prin Valu		Und	observable
Instrument	 2025		2024	Tech	nique		Inputs
Beneficial Interest in Community Foundations	\$ 481,794	\$	456,867	Net A Valu	Asset ation	-	/alue of nderlying Asset

NOTE 4 OTHER ASSETS

Other assets consist of the following at March 31:

	 2025	 2024
Trademarks	 	
Word Mark	\$ 4,163	\$ 4,163
Design Mark	2,045	2,045
Office Rent Deposit	 2,083	 2,083
Total	\$ 8,291	\$ 8,291

The trademarks are comprised of the associated legal and filings costs as part of the trademark registration process and are considered to have an indefinite life; therefore, no amortization has been recorded as of March 31, 2025 or 2024. Additionally, no impairment has been recorded as of March 31, 2025 or 2024.

NOTE 5 LEASES

The Organization leases office space for various terms under long-term lease agreements. The leases expire at December 31, 2027. In the normal course of business, it is expected that these leases will be renewed or replaced by similar leases.

The following table provides quantitative information concerning the Organization's leases.

Lease Cost				
Operating Lease Cost	\$	59,875	\$	59,875
Total Lease Cost	\$	59,875	\$	59,875
Other Information				
Operating Cash Flows from Operating Leases	\$	62,296	\$	60,190
Weighted-Average Remaining Lease Term -				
Operating Leases	2.8 Years 3.8 Year		ears	
Weighted-Average Discount Rate - Operating Leases		2.48%	2.48%	6

A maturity analysis of annual undiscounted cash flows for lease liabilities as of March 31, 2025, is as follows:

	Operating		
Year Ending March 31,	Leases		
2026	\$	64,477	
2027		66,733	
2028		51,352	
Undiscounted Cash Flows		182,562	
Less: Imputed Interest		(5,993)	
Total Present Value	\$	176,569	

NOTE 6 BENEFICIAL INTERESTS IN COMMUNITY FOUNDATION

On January 27, 2014, a donor established the Adele Hall Joy of Serving Fund (the Fund) at the Greater Kansas City Community Foundation (GKCCF). The establishing document called for GKCCF to distribute annual net income from the Fund to the Organization as follows: "25% of the annual net income shall be used for innovative programs and best practices in Kansas City which may be exported nationally and 75% of the annual net income shall be used for expenses of the Organization."

After the fifteenth anniversary of the date of this establishing document, if the Organization meets certain conditions then it will become the advisor to the Fund and may request distributions of income and principal from the Fund at any time for any charitable purpose in its discretion. If, instead, the Organization ceases to exist then GKCCF can make distributions from the income and principal of the Fund in their discretion to another organization that meets certain requirements outlined in the establishing document.

NOTE 6 BENEFICIAL INTERESTS IN COMMUNITY FOUNDATION (CONTINUED)

The establishing document grants GKCCF variance power to modify a restriction or condition on the distribution of funds for any specific charitable purpose or to specified charitable organizations. As a result, the Organization has not recorded the principal of the Fund and only records contribution revenue upon receipt of distributions from the Fund.

The Organization received annual distributions from the Fund in the amount of \$110,364 and \$112,527 during the years ended March 31, 2025 and 2024, respectively.

On September 29, 2022, a donor established the Battey Family Fund for YVC (the Fund) at the GKCCF. The establishing document called for GKCCF to distribute 5% of the prior yearend fund balance from the Fund to the Organization to be used for unrestricted general operating support.

The establishing document grants GKCCF variance power to modify a restriction or condition on the distribution of funds for any specific charitable purpose or to specified charitable organizations. As a result, the Organization has not recorded the principal of the Fund and only records contribution revenue upon receipt of distributions from the Fund.

The Organization received annual distributions from the Fund in the amount of \$15,000 and \$15,000 during the years ended March 31, 2025 and 2024, respectively.

NOTE 7 PROGRAM REVENUES

Program revenues are earned primarily through affiliate fees, summer program fees, and sales of materials to affiliates. The Organization receives an annual fee from affiliates in exchange for the program model, training, ongoing support, and resources necessary to run a successful program. These fees are recognized by the Organization over the course of their fiscal year. Additionally, revenue generated from the annual gathering of affiliates is recognized in the fiscal year that the gathering occurs. The Organization does, on occasion, take deposits for items that will be delivered at a future date. In those cases, a liability would be recognized until the future date occurs. At March 31, 2025 and 2024, there were no receivables or unearned revenue related to program revenues.

NOTE 8 CONTRIBUTED GOODS AND SERVICES

In-kind contributions were recorded as follows for the years ended March 31:

Contributed Goods and Services	 2025		2024	
Contributions:				
Office Space - Current Year	\$ 52,981	\$	53,142	
Office Space - Future Years	23,515		23,612	
Advertising Services	17,879		88,166	
Federal Grants	 			
Total In-Kind Contributions	\$ 94,375	\$	164,920	

NOTE 9 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are available for the following purpose or time periods at March 31:

	2025		2024	
Subject to Purpose Restriction				
Don and Jean Sloan Scholarship Fund	\$	1,100	\$	2,100
Adele Hall Joy of Serving Fund		20,693		24,555
Program Expenses		143,579		17,113
Construction Related Service Projects		404,537		752,986
Total Subject to Purpose Restriction		569,909		796,754
Subject to Time Restriction				
In-Kind Pledges Receivable, Net		23,515		23,612
Total Subject to Time Restriction		23,515		23,612
Total With Donor Restrictions	\$	593,424	\$	820,366

NOTE 10 RELATED PARTY TRANSACTIONS

For the year ended March 31, 2025, approximately 7% of total contributions revenue originated from board members, key management, staff, and their immediate family members. For the year ended March 31, 2024, approximately 5% of total contributions revenue originated from board members, key management, staff, and their immediate family members.

NOTE 11 BOARD-DESIGNATED ENDOWMENT

The Organization's endowment consists of one fund, established with the Greater Kansas City Community Foundation, to support the sustainability of the Organization's programs. The endowment was set up by the Organization using funds without donor restriction. The board designated the donation to function as an endowment. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The board of the Organization has interpreted Missouri's enactment of the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the board-designated endowment funds, absent explicit donor stipulations to the contrary. Consequently, the Organization classifies board-designated endowed funds as:

- The original value of gifts donated to the endowment, and
- The original value of subsequent gifts to the endowment.

NOTE 11 BOARD-DESIGNATED ENDOWMENT (CONTINUED)

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to the programs supported by the endowments. The endowment assets are invested in a manner to produce results similar to the S&P 500 index while assuming a moderate level of investment risk.

Spending Policy

The spending rate distributed at the beginning of each fiscal year is to be 5% of the prior three-year rolling average of the endowment fund balance as provided by the Greater Kansas City Community Foundation. Withdrawals of greater than 5% require a 75% board vote.

In establishing this policy, the Organization considered the long-term expected returns on its endowment investments. Accordingly, over the long-term, the Organization expects the current spending policy will allow its endowment to retain the original corpus of the gift.

Strategies Employed for Achieving Objectives

The Organization relies on a total return strategy in which investment returns are achieved through capital appreciation and current yield (interest and dividends). The Organization targets a diversified asset allocation to achieve its long-term objectives within prudent risk constraints.

Endowment net assets composition by type of fund as of March 31, 2025 and 2024:

Total
481,794
481,794
Total
456,867
456,867

NOTE 11 BOARD-DESIGNATED ENDOWMENT (CONTINUED)

Changes in endowment net assets for the fiscal years ended March 31, 2025 and 2024:

	\$ Witt	Restriction \$ 456,867	Without Donor Restriction \$ 456,867 \$ \$ - 24,927 \$ 481,794 \$ \$ 202	Without Donor Restriction With Donor Restriction \$ 456,867 \$ - - - 24,927 - \$ 481,794 \$ - Without Donor Restriction With Donor Restriction \$ 417,874 \$ - (22,590) - 61,583 -	Without Donor Restriction With Donor Restriction \$ 456,867 \$ - \$

NOTE 12 ECONOMIC RISKS

The Organization invests in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the Organization's financial statements.

NOTE 13 CONCENTRATION OF REVENUE RISK

For the year ended March 31, 2025, five donors contributed approximately 73% of total contribution revenue. For the year ended March 31, 2024, one donor contributed approximately 59% of total contribution revenue.

NOTE 14 SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 22, 2025, the date which the financial statements were available for issue.
